# Syllabus for Midwifery Educators

## Part 1 :- Written test (40%)

The written test will be of 2 hours duration. Question paper will contain multiple choice and Essay type questions. Through the examination, subject knowledge, Technical skill, Teaching and training skill with English language proficiency will be assessed.

Syllabus of the examination is as follows :

- Antenatal Care
- Intrapartum Care
- Postnatal Care
- Complication management
- Neonatal care

## OSCE (20%) :-

Objectively Structured Clinical Examination (OSCE) will be conducted in a simulation environment to assess the clinical/Procedural Skill related to Midwifery Practices. The score will accordingly be assigned based on the candidate's performance against the standard checklist.

Area of OSCE

- Active management of third stage of Labour
- Postpartum Haemorrhage
- Eclampsia
- Newborn Resuscitation
- Abdominal Examination

## Part 2 :- Interview (40%)

Successful candidates who clear the written test and OSCE will be screened at the interview for assessment of motivation (20%), Aptitude (20%), the proficiency in spoken English & communication with technical knowledge, leadership, advocacy for client's rights, and team spirit.

Note :- For further reference please refer GoI Guideline for Midwifery Educators on site of MOHFW, GoI.
